This is designed with added warmth and comfort to be worn as a mid layer, ideally with the two piece base layer or other garments to create additional layers. It features a half-zip top and bottom with an elastic waistband and a raglan cut for a better fit.

- Designed for use under layers in the middle to create a layering system
- Ideally worn under the two-piece base layer suit to provide maximum warmth
- Base layer compromises of half-zip top and bottom with elastic waistband
