These days many anglers take a tablet or small laptop with them when fishing and given the cost of some of these devices, we want to make sure they stay dry and well protected when you're not using them!

Product information

The Compac Tablet Bag in Dark Kamo is the perfect solution, with three models in the range so you can find one to suit the size of your tablet or laptop. Small is for screen sizes up to 8 inches; Medium for up to 11 inches and Large for up to 13 inches.

These cases feature a fully padded foam lining to protect your devices, with easy access via a heavy-duty zipper and molded pullers, as well as an exterior pocket for charging cables or the like. The tablet bags are made from high-performance, lightweight but strong, durable, water-repellent fabric to keep your tablet in perfect condition while matching the rest of your Dark Kamo luggage.
