The Fused PVA Bag Stem Ring Swivel, the ultimate solution for effortless fishing with solid PVA bags. Designed with precision and innovation, this swivel is perfectly crafted to ensure reliable performance in every application. The solid bag stems offer exceptional strength and durability, making it the ideal choice for a safe bait presentation. Thanks to its

Product information

specialized design, it easily accommodates PVA bags to boost your fishing performance. The integrated ring swivel ensures smooth rotations and prevents line twists, allowing you to concentrate fully on catching your prized target fish.

Features:

- stable inline lead stem, suitable for fishing with solid PVA bags
- special line slot for quick looping or tying of pre-tied solid bags
- integrated, molded size 8 ring swivel for attaching braided leader
- camouflage color to blend in with the seabed
