Features:

- New Naturals color options: black, brown and olive green
- Allows for more inconspicuous blending in with daytime conditions, which can make a difference on difficult days.
- The Aligna mimics the shape and color of a hatching insect larva
- Allows the hookbait color to be changed quickly and easily
- Mixing or matching the colors is possible
- Improves the hook hold and prevents the risk of spitting out the bait
- Increases the chances of hooking
- Use strong and reliable knots such as the Palomar and the Grinner for assembly, these are perfect for the thinner Zig leaders
- Supplied in recyclable cardboard packaging
