2 PCE in stock

Features:

- Everything you need to build a freewheel assembly
- Buffer bead, run ring and speed link included
- Creates a drag-free alternative to fixed lead mounts

Product information

- Benefits from the new "Naturals" color, which is very inconspicuous with the dark green
- Translucent material allows light to pass through, making the rig blend in much better with its surroundings
- Perfect for dark water bottoms and plant-rich waters
- 8 sets per pack
- Supplied in recyclable cardboard packaging
