Give your catch the ultimate protection with this unique fish protection system. With its fish-friendly HD PVC lining, you can keep your catch safe and off the bottom. The compact folding design makes transportation easy, while the side water drainage net ensures quick drainage. The adjustable legs allow you to adjust the height as required and the swivel mud feet ensure the mat is always stable. With the Velcro top flap and an integrated knee pad, you can securely and comfortably care for your catch. The padded top bar and corners provide additional protection.
