Discover the perfect storage solution for your 6ft, 9ft and 10ft XTRACTOR® rods. This design is not only compatible with 50mm guides and large spool reels, but also features unique connection points that allow the sleeves to connect both up and down. An additional side pocket and strap provide space for your net and handle, while the side webbing can hold two banksticks. Additional convenience is provided by the zippered lead pocket and the practical carrying handle. The whole thing is made from high-quality HD 600D PVC in a Bank-Tek camo design. And don't worry about your fishing line - the rear zipper has been specially designed to prevent damage.

Features:

- suitable for 6ft, 9ft and 10ft XTRACTOR® rods
- compatible with 50mm guides and large spool reels
- unique connection points for combined use
- side pocket and straps for net and handle
- space for two banksticks
- practical zippered pocket for lead
