Product information

Be perfectly equipped for your fishing trips with the Trakker CR Downpour Trouser! These ultra-light fishing trousers ensure that you stay dry even in rainy weather without breaking a sweat. Rock them solo in summer or combine them with the Trakker CR joggers for extra warmth - you'll always be perfectly equipped. Thanks to the adjustable ankle waistband, you can pull the trousers over your boots in no time at all. And with secure zippered pockets, there's even room for small items.

Features:

- high-performance fabric: 5000mm water column and 5000 MVP breathability with fully taped seams
- Practical, adjustable ankle cuff - fits easily over any boot
- Secure zippered pockets
- Pack sack included
- Sizes from S to XXXL
- 100% nylon
