# Product information

Immerse yourself in the ultimate protection against all weather conditions with the ZT Extreme Waterproofs. With their 3-layer TPU membrane, they set new standards in protection from the elements. Enjoy not only maximum waterproofness, but also impressive breathability. The stylish Large Print Nash Camo design, which you will also find in the Scope and the revised Titan range, will make you look good in any situation.

**Features:**

- 3-layer TPU membrane for maximum protection
- Water column of 10,000 mm
- Breathability of 5000 g/m2 over 24 hours
- Fully taped seams
- 100% waterproof high-performance zippers
- Available in sizes from small to XXXL
- Two hip pockets and one cargo zip pocket - all with waterproof zippers
- Waterproof access to the pants underneath
- Particularly robust knee area thanks to double thickness
- Adjustable, elastic waistband including Velcro fasteners
- Leg cuffs can be individually adjusted using Velcro fasteners
- Comfortable waistband thanks to soft micro fleece
