from 34,99 EUR / PCE

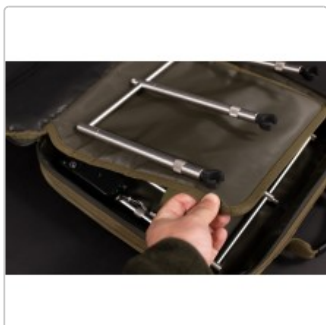

incl. 20% VAT plus Shipping

 Delivery **Tue 20. Oct - Wed 21. Oct 2026**

2 PCE in stock

Product information

The Compac Singlez Bag has been redesigned in collaboration with Neil Spooner to better accommodate your Singlez system and simplify transportation. In this version, you can leave your Singlez already assembled, apart from the ground spike. This means you can set up and take down quickly and easily without having to dismantle or assemble all the components. The bag is versatile enough to hold all sizes of buzz bars from the Singlez range and keeps your Singlez system in top condition and ready to use.

Neil Spooner & Monkey: "As an avid user of the Singlez system since its introduction, I always wanted to transport them fully assembled whilst ensuring they were protected. Getting to a lake quickly and getting them in the ground as soon as possible has always been my approach to fishing. The new Singlez bag allows you to do just that. Just take it out of the bag, add the ground spike and off you go."

Made from durable, water-repellent fabric, the Singlez Bag features a fully padded and lined interior to protect your gear. A central, padded flap ensures that movement is minimized during transport. There are two internal pockets for organizing small components such as stabilizers, bobbins, stage stands and other accessories. A reinforced carry handle and heavy-duty zippers ensure durability.

The wipe-clean inner lining makes cleaning easy. With its redesigned features, the Compac Singlez Bag is the ultimate way to carry your modular Singlez system.

Available in our dark Kamo and Olive to match the rest of the luggage range. Compac luggage is made from high-performance fabrics and military-grade components to create an organized, strong, lightweight and durable luggage system.

Features:

- **Dimensions: 34cm x 34cm x 8cm**
 - Redesigned in collaboration with Neil Spooner
 - Large enough to store mounted singlets
 - Durable and water repellent fabric
 - Fully padded and lined
 - Two internal pockets
