Equip yourself for any weather with the Trakker TechPro Waterproof Trouser, which has been specially designed for the highest performance requirements. Available in a range of sizes from S to XXXL, these trousers offer a perfect fit for every outdoor enthusiast. As part of the TechPro range, they guarantee excellent performance in all conditions.

Product information

Thanks to the EcoElite DWR coating, they offer long-lasting water repellency to keep you dry and comfortable during your outdoor activities. Trakker's custom camouflage pattern not only gives the trousers functionality, but also a stylish look. Stay dry, look stylish and be ready for any outdoor adventure with the Trakker TechPro Waterproof Trousers.
