Product information

Now available in the classic ZT Camo pattern, these hard-wearing waders are made from tough, laminated PVC and are complemented by the innovative Zero Tolerance Wader Accessory. This ingenious accessory is appreciated by carp anglers everywhere: the revolutionary step-in aid is located in the boots and allows you to put on both boots and waders faster than ever - and in one fluid motion. No more jumping around or falling over when a bite alarm suddenly sounds!

Features:

- Durable, laminated PVC
- ZT camo pattern
- With revolutionary entry aid
