Product information

Nash Tournament Swivel Lead

Art.Nr.: 51280 / manufacturer: Nash

from 2,09 EUR / Stk.

incl. 20% VAT plus Shipping

Delivery **Thu 05. Nov - Fri 06. Nov 2026**

More than 10 Stk. in stock

CAD-designed with a hexagonal profile and ballistic nose for aerodynamics and wobble-free flight, resulting in maximum casting efficiency and added distance. The streamlined shape reduces noise on impact with the water, and the 3D textured camouflage surface of other Nash leads has been removed to improve aerodynamics.

Features:

- Finished in a unique disruptive black/green camouflage for terminal tackle concealment
- Non-reflective soft touch paint
- Enlarged eyelets on the swivel leads for easier positioning on lead clips and better performance of the lead mounting system
- Metric and imperial weight markings in the body for easy identification
