Product information

Experience the quality and effectiveness of Watercraft DNA pop-ups. Specially developed for the discerning carp angler. These pop-ups are characterized by their excellent buoyancy, which ensures optimal presentation of your bait, whether used as part of a snowman rig or solo.

We are committed to using the best flavors and additives to ensure each pop-up is irresistible to carp. Perfectly matched to our boilie varieties, the Watercraft DNA pop-ups provide an excellent attraction bait.

The selection of colors is based on extensive testing to provide the most effective options for catching carp. Each pop-up is enriched with our special DNA food stimulants which provide an instant and powerful attraction to carp.

Manufactured by hand and with the utmost care for quality, our pop-ups represent the best the industry has to offer. Available in 15mm and 20mm sizes, the Watercraft DNA pop-ups offer a perfect solution for many bait presentations.
