not in stock, available in 4-5 weeks

This classic baseball cap from Orient Rods is a high-quality, comfortable and fashionable accessory. The embroidery emphasizes the company's corporate style. It is useful in all weathers and can be combined with almost any style of clothing. This headwear is designed for everyday wear as well as for outdoor enthusiasts. Despite the black color, this headwear offers comfortable conditions for your head in all weather conditions thanks to the inner lining layer with

Product information

breathable microfiber. The baseball cap is made from a blend of natural fabric and a small amount of synthetic material, which gives it elasticity and shine, better conforms to the shape of the head and fades less in the sun. A brass buckle on the back of the cap is used to adjust the size. Taking into account possible adjustments, the size of the headgear is 56-61cm head circumference.
