from 1,59 EUR / PCE

incl. 20% VAT plus Shipping

Delivery **Thu 05. Nov - Fri 06. Nov 2026**

10 PCE in stock

The Nytro Swivel Blockers are available in two sizes: medium and large. They provide the perfect solution for rigging a sliding feeder rig by blocking a sliding swivel or a sliding feeder bead on the main line, creating a natural boom effect. This is particularly useful when twisting the line and pulling the knot into the blocker.

Product information

Features:

- Available in medium and large sizes
- Provide a strong hold on the line
- Ideal for concealing the knot to create a natural boom
- With a handy dispenser that makes application very easy
- Packaged with less plastic for a more environmentally friendly option
