The SONIK LOKBOX COMPACT S-3 BOX marks the most spacious point within the LOKBOX™ COMPACT collection and proves to be indispensable for anglers who do not want to do without extensive equipment on the go. The lid of this box has 21 narrow compartments for all your small but important terminal tackle items. In addition, the lower, large compartment with

Product information

its two adjustable dividers allows flexible storage of your equipment.

Features:

- Designed as the most voluminous box in the LOKBOX™ COMPACT series, ideal for anglers with extensive equipment.
- Offers 21 narrow compartments in the lid for neat storage of your small items.
- The lower section has a spacious compartment that can be adapted to your needs with two sliding dividers.
- Equipped with two Click-Lok flaps for secure storage.
- Thanks to the Level-Lok hinges, the box can be opened up to an angle of 180 degrees and securely fixed in place.
- **Dimensions: 24.5x13x7.5cm**

With the LOKBOX COMPACT S-3 BOX from SONIK, you have a reliable solution for organizing and transporting your fishing tackle that has been specially developed for anglers looking for a spacious yet portable storage option.
