The SONIK LOKBOX LONG S-3 BOX is an extended version of the tried and tested storage system for fishing tackle and leaders. This longer box includes a rig board in the lid, which can hold up to 18 ready-made rigs. In addition to this practical storage option, the lid offers 12 narrow compartments for smaller, essential parts of your terminal tackle. The bottom of the

Product information

box is equipped with six large compartments that can be customized with four customizable dividers, complemented by hinged lids for each compartment and an integrated ready-rig holder on the side for up to 10 additional rigs.
