zippered pocket. An additional large zipped pocket at the front offers further storage space. The detachable and adjustable shoulder strap with a sliding neoprene cushion significantly increases carrying comfort, especially when the bag is heavily loaded and carried for long periods of time. This cushion prevents discomfort caused by the webbing against the skin. Duraflex® Snaphooks on the shoulder strap allow the main and front zippers to be secured, providing additional security when traveling or in crowded areas and giving you peace of mind that your personal possessions are safe.
