# Product information

These jogging bottoms are made from a **lightweight, breathable polyester fabric** that dries quickly to keep you comfortable all day long. The **stretchy fabric** offers **unrestricted freedom of movement**, perfect for dynamic activities. In addition, the **zippered back pockets** guarantee secure storage options for your valuables. A **drawstring** at the **waist** ensures an optimal fit, and an additional pocket offers further storage space for small items.

**Features:**

- **Material:** 100% polyester
- **Lightweight and breathable:** Promotes air exchange and keeps you cool
- **Quick-drying**: Reduces drying time and increases comfort
- **Stretch**: Supports free movement during all activities
- **Security** : Zippered back pockets provide a safe place for your valuables
- **Adjustable**: Drawstring at the waist for a perfect fit
- **Additional storage space** : Practical pocket for additional storage options
