Product information

For anglers who are traveling overnight, it is important to pack their equipment compactly. Whether on the way to work or fishing, the quicker and easier the equipment can be packed, the better.

With the Korda Compac Brolly Wrap, the bulky shape of the brolly can be packed and secured quickly and efficiently. This wrap offers an alternative storage solution to a conventional carry bag, whilst also allowing you to stow important items such as storm poles or tent pegs.

All items are stored in a robust, waterproof cover with Velcro fastening. The result is a compact, flat and lightweight pack that can be set up and taken down quickly.

This modern solution features an elasticated fabric that allows the cover to be pulled tightly around the brolly and compressed. Simply stow your pegs and storm poles in the compartments provided, pack up the brolly and off you go!

Compac luggage is made from heavy duty military grade fabrics and components to create an organized, strong, lightweight and durable luggage system.

Available in two colors: Dark Kamo or Olive.

Dimensions: 59cm x 66cm

Features:

- Allows quick packing and set up
- Durable and elastic fabric
- 6 loops for pegs
- 4 reinforced sleeves for storm poles
- Compact, flat design
- Adjustable diameter from 35cm to 45cm
- Washable and water-repellent lining
- Developed for traditional brollies
- Available in Dark Kamo and Olive"
