Product information

Diameter:	0.30-0.35 mm
Line type:	Monofilament

Discover SOFT STEEL FLECK CAMO MONO, a legendary Leader quality fishing line, now available in spot camo coloring for enhanced camouflage in the water. This monofilament line combines low stretch with exceptional strength, making it particularly resistant to abrasion and the ideal choice for fishing in the toughest conditions. Its excellent knot strength and low memory ensure reliable performance, whatever the conditions. Available in a range of strengths: 14lbs (6.4kg) 0.30mm, 16lbs (7.3kg) 0.33mm, 18lbs (8.2kg) 0.35mm, 20lbs (9.1kg) 0.37mm and 24lbs (10.9kg) 0.40mm, this monofilament Leader offers an unbeatable combination of stealth, strength and flexibility.

Features:

- Spot camo coloring for improved camouflage in the water
- Low stretch and very strong construction
- High abrasion resistance, ideal for fishing in obstructed waters
- Excellent knot strength and low memory
- Available in thicknesses of 14lbs (6.4kg) 0.30mm, 16lbs (7.3kg) 0.33mm, 18lbs (8.2kg) 0.35mm, 20lbs (9.1kg) 0.37mm and 24lbs (10.9kg) 0.40mm
