The Compac Boilie Caddy from Korda offers a practical solution for storing up to **2.5kg of boilies** when feeding with a casting tube or slingshot. Made from **durable, water-repellent** and easy-to-clean **fabric**, the Boilie Caddy ensures that your Boilies are easily accessible and protected at all times. The **sturdy metal rim** allows easy and unrestricted access to

Product information

your bait, while the **drainage hole** in the base allows excess water to drain away - ideal for when you've washed out your Boilies.

The **fully adjustable, quick-release waist strap** ensures a comfortable and personalized fit, so you can wear the caddy over multiple layers of clothing or on top of your waders. Korda's Compac luggage line is made from **high performance fabrics** and military grade components, resulting in an organized, strong, lightweight and durable luggage system.

The Boilie Caddy is available in **Dark Kamo** and **Olive** colors to perfectly match your fishing setup.
