The SP C-TECH LARGE TECH CASE is the perfect way to safely store your power packs, batteries, flashlights, laptops and tablets. This attaché case-like bag offers maximum protection with its molded, waterproof PVC body and luxurious padding in the configurable dividers. With two USB ports, you can connect your devices without having to remove the power packs.

Product information

In addition, the bag has a soft, heavily padded, zippered inner pocket for your laptop or tablet. The SolarCam camouflage pattern gives the bag a stylish and functional look.

Features:

- Made from G-Tex, Solar's recycled high performance fabric
- Molded, protective EVA body
- Two USB ports for connecting devices to the internal power pack
- Configurable dividers
- Internal, padded protective sleeve for tablets
- Transparent cable pouch
- Waterproof EVA bottom
- Vertabr8 frame for stability
- Dimensions: 46x25x12cm
- Weight: 1.52kg

Our sport depends on a healthy environment. That's why the SP C-Tech range is made from sustainable G-Tex fabric, made from recycled plastics and certified to the 'Global Recycled Standard' and 'Green Product Mark'. It's time to take responsibility.
