Product information

The FOX Fox Voyager Sleeping Bags provide warm and comfortable protection for 4 seasons and are made with high quality materials to ensure maximum warmth retention and comfort. The soft polyester Voyager Marl outer fabric as well as the micro-fleece liner and Sherpa fleece top provide excellent thermal insulation. The sleeping bags are equipped with a 7 Core Hollow Fibre filling, which retains its shape thanks to silicone treatment and expands the fibers. The well thought-out design with 10mm crash zippers and elastic securing straps ensures quick use and flexible attachment to most bedchairs.
