The Sonik XTRACTOR+ carp rods are an improved version of one of Sonik's most popular and successful rod series. Utilizing advanced carbon technology, the new XTRACTOR+ series offers improved performance, durability and reduced weight with increased responsiveness. These rods are designed for compactness and versatility and are perfect for various carp techniques.

Features:

- High modulus C6 carbon construction for lighter and more responsive rods
- Robust RAW carbon finish that shows the internal structure of the blank
- Slim, light and with progressive power while retaining the proven XTRACTOR action
- Super-lightweight M-Series DL black guides with wear-resistant ceramic anti-frap tip guide
- VARI-TAPER™ connection construction
- Deluxe matte black DPS reel seat for secure reel fit
- Customized Sonik clip
- Sleek Japanese shrink wrap handle with subtle, slim, flared grip for comfort
- Supplied with two Tadpole rod locks
- Black anodized end cap, laser engraved with the "S" logo

Available models:

- Rod lengths: 6ft, 8ft, 9ft, 10ft (including a 10ft spod rod)
 - Test curves: From 2.75 lb to 3.5 lb
 - All models feature a 40mm starting guide and an anti-frap tip guide
-
