The Sonik Multi-Tool is a versatile addition to your fishing equipment and offers all the tools you could need. The foldable design is based on spring-loaded pliers that have four integrated holding and cutting functions. Also included are standard and serrated blades, bottle and can openers and a useful two-stage metal file. The multi-tool is made of high-quality stainless steel and comes with a hard-wearing nylon pouch.

Features:

- Designed for durability and versatility
- Made from high quality stainless steel
- Fourteen integrated tools
- Spring loaded needle nose pliers
- Regular pliers
- Wire cutter
- Wire stripping tool
- Knife
- Saw
