9 PCE in stock

The Varsity Hoodie is the perfect choice for cold, windy days. With its high-cut collar, complemented by press studs and a shaped hood, it offers effective protection against heat loss and cold wind.

Product information

The laminated, windproof inner membrane combined with a pixel fleece lining provides exceptional thermal insulation normally expected from outer layers, even in prolonged adverse conditions.

Features:

- 320 g/m² heavyweight outer fabric for durability and warmth
- 200 g/m² windproof inner membrane with pixel fleece lining
- Handwarmer pockets with press stud fastening
- Waterproof contrast patches on the elbows for additional protection
- Elastic thumbhole cuffs for comfort and a secure fit under layers
- Elastic, ribbed waistband for optimum fit
