Super-compact and ultra-comfortable to use, the Downpour+ pants are lightweight, breathable waterproof pants that take up a minimal amount of space and weight in your tackle so you're prepared for a downpour at any time.
With a 5000 water column and 5000 breathable rating, they are sure to keep you dry in even the heaviest downpours with no moisture build up inside and have an elastic waist with a zippered hem with hook and loop closures to prevent water from getting in.
Supplied in a stuff sack for safe storage.

- Rated with 5000 mm waterproofness and 5000 g breathability
- Elastic waist with drawcord
- Zippered hand pockets
- Zippered hem with adjustable Velcro straps
- Comes with a stuff sack
