Product information

The Ridgemonkey EscAPE XF2 Compact v2 2 Man Bivvy is a compact yet comfortable tent for two people, offering enough space for two standard beds. It combines the proven X-frame construction with the windproof and waterproof 300D Ripstop HydroX skin and a permanently sewn-in PVC groundsheet. The revised v2 version makes the tent even more flexible and adaptable with a removable inner capsule, a Vapour Shield, and a versatile front door. These features improve ventilation, reduce condensation, and offer optimal protection from the elements.

The bivvy can be expanded with accessories such as the XF2 Porch Extension v2 or the XF2 Extended Groundsheet v2, transforming it into a social gathering place, a cooking tent, or a mobile office. For added convenience, the tent comes in two separate carrying bags for easy transport.

Features:

- **External dimensions: H190cm x W240cm x D200cm + 80cm canopy**
- **Interior dimensions with inner capsule: H180cm x W230cm x D185cm + 80cm canopy**
- **Weight:** Main tent 26 kg, accessories 14.5 kg
- Folded dimensions: L200cm x W42cm x D20cm
- Aluminum X-frame for quick setup and takedown
- 300D Ripstop HydroX material, windproof, waterproof, and breathable
