Product information

The RidgeMonkey Ruggage Small Cookware Carryall is the perfect solution for shorter fishing sessions. It offers enough space for essential cooking utensils and small food items, ideal for minimalist anglers who value practical and compact transportation options.

The 12-liter main compartment is specially designed to carry cooking utensils such as a kettle, stove, toaster, gas bottle, cup and cutlery. Two insulated outer pockets keep small food items or milk fresh, while the third outer pocket in the lid offers additional space for other accessories. There are also elastic loops in the lid to keep your cutlery safe and within reach. The fully padded walls protect your equipment and the clip carrying handles make transportation easy and comfortable.
