More than 10 PCE in stock

The Gamakatsu Treble 18 Short Shank is an extra strong treble hook version that is ideal for artificial lures. Thanks to the Magic Eye, the hook can be easily attached to a snap ring. The shortened hook shank (Short Shank) ensures that the hook points are closer to the hook body, which improves the bite yield.

Product information

Features:

- Extra strong treble hook for maximum resilience
- Magic Eye for easy attachment to the snap ring
- Shortened hook shank (short shank) for a better grip on the bait
- Ideal for lure fishing
