1 PCE in stock

Featuring a spacious rig storage compartment, the NXG Combi Rig Pouch has two separate zippered compartments to keep your rigs and gear just the way you want them. On the rigboard side, there is an ultra-high density foam interior that can store many rigs, as well as an internal Velcro mesh pocket that is ideal for storing bait tools. The storage side consists of six removable PVC wallets to keep all your small tackle secure. The Combi Rig Pouch is therefore the perfect companion for
