The biodegradable bags from Nash have been specially developed for use with the Bank Life Toilet (T1255). They are made from 100% plant-based materials and are therefore fully compostable and environmentally friendly. Despite their biological properties, the bags are particularly tear-resistant and effectively prevent odors from escaping - for hygienic and clean use on the go.

Features:

- Suitable for the Nash Bank Life Toilet (T1255)
- Extra strong, tear-resistant structure
- Odor impermeable and hygienic
- 100% biodegradable on a plant basis
- Environmentally friendly and compostable
- 10 bags per pack
