3 PCE in stock

Product information

The ZT Lite Dry Pack Trousers are the well thought-out addition to the Dry Pack Jacket and offer reliable protection in changeable weather. Quick-drying, ultra-lightweight and packable - these trousers are perfect for damp mornings, summer rain or wet terrain.

The fully taped 2-layer fabric with 15,000mm water column and 20,000g/m²/24h breathability ensures optimum weather protection and comfort - even during high levels of physical activity. The pants offer zippered pockets and access to pockets underneath when shorts or combats are worn.

Reinforced knee and seat areas increase durability for frequent kneeling or sitting on wet surfaces. Adjustable Velcro fasteners and zippers at the ankles allow easy donning and doffing over boots. Compactly stowable, they are always ready to hand when the weather changes.

Features:

- Waterproof (15,000mm water column)
- Breathable (20,000g/m²/24h)
- Reinforced knees and seat for increased durability
- Zippered pockets with additional access to clothing underneath
- Adjustable ankle width with Velcro and zipper
- Packable and ultra-lightweight
- Perfect for changeable weather conditions and active use
- Sizes: Small to XXXL
