The Skeater Mat & Sling XL is designed for large predatory fish up to 120cm. Thanks to its padded design and raised side walls, it offers secure protection when unhooking, measuring and weighing.

Product information

The soft inner surface with integrated measuring scale makes it possible to determine the exact length. Two padded bottom sections ensure fish safety and at the same time that the mat can be folded up compactly. Robust carrying handles make weighing and resetting easier, while mesh panels on the sides ensure water drainage and quick drying.

Features:

- Suitable for fish up to 120cm in length
- Two padded bottom sections for fish protection and compact pack size
- Raised side walls for more safety
- Integrated measuring scale on the soft inner surface
- Sturdy, padded carrying handles for safe transportation
- Mesh panels for water drainage and quick drying
- Suitable for bank and boat fishing
