The Unlimited Catfish Mat & Ruler XL is specially designed for handling Groß catfish. With a length of 190 cm, it offers enough space to safely hook even large fish and measure them precisely at the same time.

Product information

The soft padding protects the fish from hard surfaces, while the integrated measuring scale with raised stop enables exact length measurements. Thanks to its robust design, the mat can be used reliably both on the bank and in the boat.

For transportation, it is simply rolled up and secured with clips or straps.

Features:

- Length 190cm, for safe handling of Groß catfish
- Integrated measuring scale with stop for precise measurements
- Padded surface to protect the fish
- Robust construction for use on the bank and on boats
- Rollable and can be fixed with clips or straps for easy transportation
