The Skeater Deadbait Hi-Viz Pike Bobber is a versatile float for use with smaller baitfish for pike and other predators. Thanks to its high carrying capacity, it offers reliable performance and remains clearly visible even at a distance or in poor light conditions.

The bobber can either be fixed between line stoppers or mounted as a glide pose. The eye-catching luminous tip enables clear bite detection and ensures reliable control of your rig.

Features:

- Can be mounted between line stoppers or as a glide pose
- Suitable for smaller baitfish
- High load capacity for reliable presentation
- Luminescent tip for clear bite detection even at a distance
- Sizes: 10g, 15g, 20g, 25g, 40g
