The Skeater Deadbait Single Hook Float Trace - Barbless 45cm is aimed at anglers who rely on soft hooks. Equipped with a barbless Skeater Jaw Point treble hook, it enables gentle and safe unhooking without reducing the bite yield.

Product information

The leader is made from strong yet flexible 49-strand steel leader material without a sheath. This keeps the presentation inconspicuous and reliable, especially when fishing with smaller baitfish under the float. A UV-red bait fin provides additional attraction.
