The Skeater Deadbait Twin Hook Trace - Barbless 50cm was developed for bait fishing with a special focus on fish-friendly handling. Equipped with two barbless Skeater Jaw Point treble hooks, it enables a secure grip and easier unhooking at the same time.

The flexible, unsheathed 49-strand steel leader material offers high load-bearing capacity with a natural bait presentation. Both hooks are fitted with UV-red bait fins, which provide additional attraction and trigger bites.

Features:

- Developed for deadbait rigs
- Two Skeater Jaw Point treble hooks (barbless) for safe, fish-friendly use
- UV-red bait fins on both treble hooks for extra visual attraction
- Lang 50cm
- Hook sizes: 2, 4, 6 and 8
- 49-strand uncoated steel, load capacity 15kg (12kg for size 8)
- Discreet brown coating for unobtrusive presentation
- Mounted with black Skeater Rolling Swivel size 4
