6 PCE in stock

The Skeater Inter-Crosslock Snap offers maximum security thanks to its sturdy inter-cross lock. This construction ensures a firm and reliable connection, even with large lures and strong predatory fish.

Product information

It is particularly suitable for building your own fluorocarbon or steel leaders and is robust enough for use with jerkbaits and other heavy lures. Made from resistant material, the Snap is durable and easy to use. Available in medium and large sizes, supplied in packs of 10.

Features:

- Sturdy inter-cross closure for maximum safety
- Perfect for making your own fluorocarbon and steel leaders
- Suitable for large lures such as jerkbaits
- Robust construction for tough conditions
- Sizes: Medium and Large
- Packaging unit: 10 pieces per pack
