Product information

The Carp Spirit BLAX™ Razorlite Bivvy is a lightweight, versatile tent that can be adapted to suit your needs. It can be used as an open day shelter without the front section or extended with the front to create a closed bivvy. A winter skin is available as an option for extreme weather conditions. The bivvy is made of durable 200D nylon PU fabric with a water column of 8000mm and is stabilized by flexible poles made of 7001 aircraft-grade aluminum. The front can be completely zipped off or rolled up and secured. A door with mosquito netting can also be used in "letterbox style." All seams are thermally welded.

The scope of delivery includes a medium-weight PVC groundsheet, sturdy T-pegs, Velcro rod holders, and a spacious carry bag.

Features:

- Lightweight, adaptable bivvy with optional winter skin
- Material: 200D nylon PU, 8000mm water column
- 7001 aircraft-grade aluminum poles
- Removable or roll-up front panel
- Door with mosquito net, usable in letterbox style
- Thermally welded seams
- Velcro rod holders on the front
- PVC groundsheet and T-pegs included
- Delivered in an oversized carry bag
- Winter skin sold separately
- Weight: 4.2 kg (without groundsheet and pegs).
- Dimensions when assembled: 280 cm (W) x 190 cm (D) x 140 cm (H)
