from 107,99 EUR / Stk.

incl. 20% VAT plus Shipping

Delivery **Thu 05. Nov - Fri 06. Nov 2026**

3 Stk. in stock

Product information

Length in feet (ft): 13 ft

The Nytro Marvelist Natural Float series was developed in close collaboration with feeder legend and former world champion Tommy Pickering. All models in the series feature slim, perfectly balanced 40T carbon blanks and Minima-style guides, which ensure very low weight, direct feedback, and precise control over the line and float.

The tight, fast action minimizes swing-through on the cast and allows for extremely accurate presentation. At the same time, the sensitive tip acts as a shock absorber, reducing snags and allowing the use of fine leaders.

The rod is available in three versions:

- 13ft Light – for fine presentations, light floats and lines up to 2.5–4 lb
- 13ft Medium – versatile model for medium floats and lines up to 3–6 lb
- 14ft Medium – for longer distances, deeper areas, and maximum control

Features:

- 40T carbon blank
- Slim, lightweight, and perfectly balanced construction
- Minima-style guides
- Tight, fast action for precise casting
- Excellent control of line and float
- Sensitive tip acts as a shock absorber for finer leaders
- Cork handle for comfortable handling
- Delivered in a rod bag
- End cap with Nytro epoxy logo
- 3-piece construction

Model-specific data:

- 13ft Light:
  - Transport length: 1.40 m
  - Length: 3.90 m
  - Weight: 198 g
  - Casting weight: 12 g
- 13ft Medium:
  - Transport length: 1.40 m

Product information

    - Length: 3.90 m
    - Weight: 209g
    - Casting weight: 20g
- 14ft Medium:
    - Transport length: 1.52 m
    - Length: 4.20 m
    - Weight: 222g
    - Casting weight: 25g
