Product information

The RidgeMonkey APEarel ThermaPro Waterproof Bobble Hat offers all-round protection from cold, wind, and wet weather, keeping your head warm and comfortable during outdoor activities. The hat combines a robust, knitted outer layer with a soft microfleece inner lining and a waterproof TPU membrane that provides reliable protection from wind and moisture.

The elastic construction and oversized, turned-up cuff ensure a secure fit, while the classic bobble look of the hat adds a stylish accent. The combination of thick knit, soft lining, and waterproof layer keeps your head warm and effectively prevents heat loss. The subtle RidgeMonkey APEarel branding rounds off the design in a functional and stylish way.

Features:

- 100% acrylic outer knit in signature green
- 100% polyester microfleece inner lining with TPU waterproof membrane
- Elastic construction for a secure fit
- Oversized turned-up cuff
- Classic pom-pom
- One size fits most
- Rubber logo patch and subtle RidgeMonkey APEarel branding
