The Sonik hoodies by Think Fishy Art combine comfort, style, and understated flair. The standout detail is the monochrome black camo pattern on the inside of the hood, which gives it a subtle, stealthy look. Made from high-quality 310 g/m² blended fabric (80% cotton, 20% polyester), the hoodie offers warmth, durability, and a particularly soft feel.

This limited-edition co-branded collection from SONIK and Think Fishy Art is designed for anglers who want to express their passion both on and off the water. The hoodie is equally suited for leisure time and fishing trips by the water, combining functional features with a striking, artistic design.

Features:

- High-quality 310 g/m² blended fabric for comfort and durability
- Monochrome black camouflage hood for a unique look
- Limited co-branding collection by SONIK and Think Fishy Art
- Ideal for fishing, leisure, and everyday wear
- Sizes: M to 3XL
