The SONIK INTELX Buzz Bars were specifically designed for use with Sonik INTELX rod pods and provide sturdy, compact solutions for setting up your rods. The Buzz Bars are made of lightweight, non-twisting aluminum and feature fold-out supports for quick setup and easy transport in the pod cases. Each variant comes as a front/back pair and offers a 19 cm spacing between the reel holders.

Features:

- Compatible with Sonik INTELX Rod Pods
- Supplied as a front/back pair
- 19 cm spacing between reel seats
- Anodized aluminum construction, twist-free
- Fold-out supports for quick assembly
- Compact for transport in INTELX Pod Cases

SONIK INTELX 2-Rod Buzz Bars:

- 2-rod version
- Front/back pair
- 19 cm reel spacing
- Lightweight, torsion-resistant aluminum
- Fold-out supports

SONIK INTELX 4-Rod Buzz Bars:

- 4-rod version
- Front/back pair
- 19 cm reel spacing
- Lightweight, torsion-resistant aluminum
- Fold-out supports
