Product information

Model/Type: Bags & Net Float

The Orient Rods Duffle Bag is a high-quality and extremely practical duffel bag designed for versatile use by the water, while traveling, or in everyday life. It is made of dense, water-repellent Oxford 600 fabric and features a reinforced, rubberized XTR coating on the inside. This makes the bag particularly durable, long-lasting, and easy to clean.

For comfortable transport, the duffel bag features two sturdy carrying handles and an adjustable shoulder strap with soft padding. Additionally, the model can be customized upon request.

Features:

- High-quality duffel bag for versatile use
- Outer material: 600D Oxford, water-repellent
- Interior coating: Reinforced, rubberized XTR coating
- Robust, durable, and easy to maintain
- Two comfortable carrying handles
- Adjustable shoulder strap with soft shoulder pad
- Customization available
- **Dimensions: 62x35x23cm**
