Product information

The Sonik ProGuard Framed Cradle offers optimal protection for the fish and combines a low-profile frame with well-padded sides, ensuring your catch remains safe and secure off the ground during unhooking and weighing.

The fish-friendly interior, the side drainage net, and the secure top mesh cover ensure safety and comfort. The extendable legs with swiveling mud feet provide stability on uneven ground. Thanks to its compact folding design and high-quality zippered carry bag, the cradle is easy to transport.
