The Mivardi Ajax 3000 is a versatile all-around reel with smooth operation and precise line lay. It is suitable for a wide variety of fishing methods and offers a balanced combination of technology and ease of use.

Product information

Equipped with 7 ball bearings, the reel ensures a smooth and consistent retrieve. The finely adjustable front micro-drag allows for precise adjustment to the fight and line weight. The quick-folding metal handle with soft-touch knob ensures comfortable handling. The machined metal spool features an optimized front edge that supports clean casts.
