The Nytro Spoon Net Latex Hair Mesh is specifically designed for fishing with hair rigs. The 2.5mm-thick, latex-coated hexamesh net dries quickly and is particularly gentle on the fish. Its soft texture reduces the risk of injury, while the latex coating significantly increases durability and lifespan.

The sturdy nylon spreader bar features an integrated lifting aid that makes it easier to safely lift even larger fish. A sturdy red aluminum frame provides additional stability and durability.

**Features:**
